NEW PEARSON MATHEMATICS 9 Homework Program By Hogan, Cindy ...

Senior Lecturer Suzanne Pundt found that her students were no different. Many of them lacked motivation, procrastinated, or needed better study skills. To help improve student achievement, she began using an online homework program and then began testing whether a relationship existed between participation and performance.

Homework: How an online program got my students to do it

Pearson Math Curriculums and Textbooks. High-quality mathematics instruction ensures that students become problem solvers. We believe all students can develop deep conceptual understanding and procedural fluency in mathematics. In doing so, we help our students grapple with real problems, think mathematically, and create solutions.
